

Manasvi Wadhwa

EARLY-CAREER DESIGN & PROJECT COLLABORATOR

wadhwamanasvi3@gmail.com | +91 84395 12349 | LinkedIn

PROFILE

Early-career creative collaborator supporting real digital work through WebGraphic Bee. Building practical exposure across client websites, service experiences, and emerging interfaces, with a focus on clear communication, thoughtful visual detail, and being useful to the team. Seeking an internship with direct feedback, meaningful responsibility, and room to grow.

EXPERIENCE

Design & Project Collaborator | WebGraphic Bee | *Current*

- Support founder-led agency work and active projects, contributing where the team needs momentum while learning how digital experiences move from an unclear brief toward a usable delivery.
-

SELECTED PROJECT COLLABORATIONS

Finloby | *Live finance platform* [View](#)

- Contributed project support alongside WebGraphic Bee on a live advisory platform, helping the team work toward a clear, trust-focused digital experience for complex financial services.

Dubai Debt Solutions | *Service experience* [View](#)

- Supported a private-preview service experience with clear service paths, an interactive estimate, and a confidential enquiry flow for a sensitive financial context.

Mind Palace XR | *Spatial AI research* [View](#)

- Supported an active collaboration around a Meta Quest 3 research prototype exploring AI-generated spatial memory cues and augmented-reality interaction.
-

STRENGTHS & INTERESTS

Product thinking | Visual sensitivity | Content clarity | Project support | Digital QA | Fast learning | Emerging interfaces
