

Manasvi Wadhwa

UX RESEARCH & CONTENT DESIGN STUDENT

wadhwamanasvi3@gmail.com | +91 84395 12349 | [LinkedIn](#) | [Portfolio](#)

PROFILE

B.Des. student exploring UX research, content design, and interaction design. I have supported real digital work through WebGraphic Bee and am now looking for an internship where I can learn through user contact, direct feedback, and meaningful responsibility.

EDUCATION

B.Des. in User Experience and Interaction Design

2025 - 2029

Graphic Era (Deemed to be University), Dehradun

Current CGPA: 9.8 / 10

EXPERIENCE

Design & Project Collaborator | WebGraphic Bee

Current

- Support founder-led client work through content clarification, interface review, digital QA, and project follow-through.
 - Credit collaboration honestly: the projects below reflect assistance and learning, not independent ownership.
-

SELECTED COLLABORATIVE EXPOSURE

Finloby / Finance platform

Assisted Devghya Kulshrestha through WebGraphic Bee; supported clarity and review on a live client experience.

Dubai Debt Solutions / Service journey

Assisted on parts of a private-preview service experience, including clear paths, an estimate, and enquiry flow.

Mind Palace XR / Research exploration

Supported an exploratory prototype and learned from the research process; XR is not my target specialization.

LEARNING FOCUS

User interviews | Usability testing | Research synthesis | UX writing

Information architecture | Journey mapping | Figma prototyping | Clear storytelling
