

Manasvi Wadhwa

UX RESEARCH & CONTENT DESIGN STUDENT

wadhwamanasvi3@gmail.com | +91 84395 12349 | LinkedIn | Portfolio

PROFILE

B.Des. student focused on UX research, content design, and interaction design. I lead and contribute to academic projects while supporting real digital work through WebGraphic Bee. I am seeking an internship with user contact, mentorship, and meaningful responsibility.

EDUCATION

B.Des. in User Experience and Interaction Design

2025 - 2029

Graphic Era (Deemed to be University), Dehradun

Current CGPA: 9.8 / 10

EXPERIENCE

Design & Project Collaborator | WebGraphic Bee

Current

- Support founder-led client work through content clarification, interface review, digital QA, and project follow-through.
 - Contributed to Finloby and Dubai Debt Solutions under Devgghya Kulshrestha while learning how briefs become delivered products.
-

SELECTED PROJECTS AND COLLABORATIONS

Saaf Dehradun

Team lead - academic systems project

Led Rishi, Vanshika, and Ananta through field research, system mapping, and a service concept for Dehradun's waste ecosystem.

Front Row Avoidance Study

Co-researcher with Medha

Studied classroom seating behaviour through 17 survey responses, six interviews, and observation.

Finloby + Dubai Debt Solutions

Collaboration under Devgghya Kulshrestha

Supported content clarity, digital QA, service flows, and interface review across two financial-services experiences.

Mind Palace XR

Contributor under Professor Samart Reddy

Contributing to an XR research exploration combining spatial memory, AI, and augmented reality.

SKILLS AND METHODS

User interviews | Usability testing | Research synthesis | UX writing

System mapping | Journey mapping | Figma prototyping | Clear storytelling
